CRIME DOES NOT PAY FOR FATHER AND SON

But I'm insistent!

Most wanted FBI criminal mastermind caught printing money on his own printer! Police say he went to the bank and they found out it was ink and called the station right away. The police came to his doorway, knocked down the door and arrested him for life. His fifteen-year-old son is also a criminal. Last week his son was stealing money from tip jars. P.S. Don't let your children read this! P.P.S. Don't laugh, this is serious.

WONDERFUL POEMS

Doctors, oh doctors
There are so many kinds,
From medical to psychiatry.
Some say they're bogus,
Some say they're not.
I think they're awesome,
I have no doubt.
Some doctors can help you in one way

Some can help you in others. *Nathan*

POEMS (cont.)

The flower is in the ground.
The flower is out of the ground.
If you pick a flower,
Keep it and let your mom have it.

Violin

Violin is exciting.
I'll play like a famous violinist.
I don't know if I'll be great.
Shredding the bow hairs, I'll play like a man.
I can show the heat of how I can play.

Don't Give Up

Run fast,
Don't trip,
And don't even slip.
When you're almost there,
Don't slow down,
You'll get there,
Don't frown!

Summer, summer
I love you summer.
Splish, splash
What a wonderful splash.
Summer's hot
But I still like it!

Golf

I love the shining slice,
Iron neck of the club
And how the club head sparkles in the light.
Every swing is like heaven
and harmony.
And the quiet is music to my ears.

Once Upon a Time...

Mrs. Sleepy was a princess. She went to the Popejoy. One day, Princess Sleepy did a play but she was tired. She fell on stage. Good thing the doctor was there. But she said, "I am sorry I ruined the show." The princess was still tired. She fell back asleep with her mouth open looking like she was laughing to the crowd. The crowd lol. Then an ambulance came. They said, "Who is ready to party?" Then a cop came and said, "I need someone to turn up the music." The crowd went outside. The fire truck came with a hose and he said, "Let's do a water slide!" The princess woke up from the noise and said, "Let's party" and then her family came. They had \$10,000 so they called the pool people. They came and built in a pool and then they played "Marco Polo" and the princess was the first one to go in. It was the best party. But then the people who lived near the Popejoy said, "STOP THAT RACKET!" and then everyone went home. The princess was still partying in her dress. The next morning she invited everyone over again.

One day a baby duck was swimming in the pond. A big bear came and said, "What are you doing duck?" The duckling said, "I'm a duckling," and the bear just said, "I'm hungry!" The little duckling was scared and she screamed, "Mama!" The mama said, "He's been messing with my baby." The bear said, "Huh." And he knew the mother duck would get him in the end. The next day, a bigger bear came and

the baby duck said, "I know how to get you away." So the little duck said, "Mama," and the Mama did not come. The little duck said, "You're not the other bear. The other bear ran away." The new bear showed his teeth. The baby duck was even more scared than before. The old bear saw what the new bear was doing to the poor little duck. He jumped out and said, "Go away now! I saw the duckling first." The new bear said "OK, I'll go," and ran away. The bear said, "Sorry," and the duckling said, "Thank you."

Today was the worst day of my life. I was walking home from school. Then, I stepped in a muddy puddle and my shoe was dirty and wet. But then I fell in this other huge puddle. I smelled like tuna and cats were running after me so I ran into a store. Then the cats were gone so I tried to get a bus but I did not have \$5.00, I had \$.25. But there was a taxi and the driver said, "Give me \$20.00." "But I have \$.25." I asked this guy if I could have his bike. He said sure. But the cats were back! So I rode that bike as fast as I could and then I got home. My dog had my shoe in his mouth! Then I said, "This is the worst day of my life!"
