**My Spring Break**

This spring break I have my performance. It's taking my whole spring break! I only have two days of my break because on Thursday and Friday I have rehearsal and on Saturday is my performance. I forgot to tell you about my performance. The dance I'm in is flamenco. My performance is at this church called Calvary. On Monday I'm going to have fun in my club. It's a very weird name, the Country Club. This is what we make - country necklaces.

*By Isabella Star*

I am probably going to go fishing this spring break.

*By Julian*

This spring break I will go to Lego Land. I will leave Friday and I will have so much fun! *By Job*

**Strangest Day...**

I went to a football game. A bat was quarterback. It was Colts vs. Cows. Weird. Then a vampire was selling ice cream. Super weird. After the game, I walked home and saw a cat on a bike and a groundhog on a skateboard. I know this was going to get weirder so I ran to the bookstore and a pig was reading and a bird was doing math.

"I hope this is a dream," I said to myself.

Then when I got out, a dog was riding a car. I was hungry so I got apple pie and a fly was in it. It was not apple pie, it was peach pie. I put it back. I got some bbq chips and they tasted like egg. I looked on the back, it said, not good on it so I went to bed. I had a dream that I was underwater. When I woke up I went to go see what team was winning. Cowboys vs. Colts. Tony Roma lost 1,000 times! But this is not the end. You will not believe what I saw!!! I saw a dragon!!! I fell down right on my head but this time I said in my mind, "This is the strangest day of my life!"

*By Elijah*

Well hello, yesterday was the strangest day of my whole life. At first the ring of a phone wakes me up. Even worse, I answer it. It was someone I don't know! I hear my mom talking to someone, usually my dad would be at work. I get dressed and went downstairs. It was someone else I didn't know. In fact it was a neighbor we hadn't seen in 15 years. Well, that's what my mom said. He came over for breakfast. My sister came down and my mom makes cocoa. It was cold which was weird. My mom usually makes great cocoa.

And it had no whipped cream! After breakfast, the neighbor said thank you and leaves. My sister watches a movie and it's a movie she hates. Then I got up to read a book. It's one of my new books and when I flip the page, it falls apart. I couldn't believe it! Then we took the dog for a walk. That was the only normal part of my day. Well, it's July and it snows. That was really weird. Then we came home. If it was a school day, the bus would come to get us. Anyway, we got home and the bus pulls up and that was really strange. Then the rest of my day was normal except when Dad came home an hour late and bought us a new dog. And that is my story, folks.

### **I Love My Brother**

I thought that my brother knew that I was coming home and he was waiting at the door. When I walked in the house he ran to me and hugged me.

*By Dasha*

My brother is fun. But he is my little brother. He loves me and I love him. He loves my dog too. And he loves my mom and dad and me. My loving brother sometimes is sad but most of the time he is happy. I love him just as much as he loves me. We have fun. I love you, Evan. *By Jade*

### **Animals**

I saw a grasshopper. It was very fat and it was very green and I saw it jump into the ditch. Then it jumped back up. *By Eleanor*

The scariest thing I've ever seen was my dog, Cocoa. She was a husky. She was big and had big teeth.

*By Nikolas*

I am Cat  
and I like dogs and me.  
My mom is big  
and I am small  
and I like you  
and I like me.  
I am really nice.  
Cats are my favorite. *By April*

There was a penguin and it had a white stomach and everything else was black and its beak was yellow. It slid on its belly in the water. It got some fish and then he walked up onto the ice. *By Eleanor*

I have a wild cat that comes in every day. She loves turkey. My dog barks at the cat. The cat is black, but now it doesn't come any more. She used to come around Christmas but she got scared. It ran away. I think she ran to her owner but it did not have a collar. *By Nikolas*

Today was cool because my best friend Nathan brought fish into the classroom and they were huge. We wrote thank you cards. We had a lesson on the United States and America's flag. I am still in school but that is still cool!  
*By Dylan T.*

We have some new "fish" in our classroom. There's Oscar and Dots and Creepy Freaky. The reason I put quotation marks in is because I know that they are puppets. Nobody believes me. You have seen sucker fish right? If you think they are big, these guys are huge!  
*By Daisy*

I like your cat because it is cool and cute. Very, very cute. But he heard a sound. It went like this, meow, meow, meow. *By April*

### **Birthdays**

I had the awesomest birthday ever. I went to the movies, I went to IHOP and the best part was I got to stay home. I got a ton of Legos and I got new books. I got two Calvin and Hobbes books. *By Evan*

My birthday is tomorrow. It is going to be fun. Why is it going to be fun? Because there is laser tag and miniature golf and I will have a soccer cake. It is black and white. I think that it is going to be good.

### **I Love Lilly, My Dog**

This Valentine's I will show my parents how much I love them. But I'm actually going to give all my love to my best friend Lilly. She's so, so cute. She's a cute pug. Your dog's always your best friend. Right? I love my dog Lilly. She's always there to play with me. She never bites me. I'll spend my days with her.  
*By Isabella Star*

I love my parents but I am going to my daddy's. He is going to pick me up tomorrow. I can't wait to have fun with him. The next morning I will teach my daddy to be a good chef and decorate my room. *By Alivia*

When you're mad or in pain, I'll make you lol.  
You always make me lol.  
Even when I broke your leg and that time you bonked into a pole and knocked your tooth out. *By Emma*

Legos are fun to play with. When you play, you can build a Lego Pokémon and a Lego car. I can make my Pokémon battle my car. The car can battle my Pokémon. *By Dylan W.*

I have a best friend named Emma and she is really funny and really nice to me. When I am sad she cheers me up with her funny personality.  
*By Dylan T.*

#### Animal Scare

It was Halloween night in San Paolo, Chile. There were two boys from the USA (who didn't know each other at all). The two boys' names were Kevin (age 5) and Ayden (age 12). The two boys' moms knew each other but the two boys were separate. The dads knew each other too but the dads were in Washington, DC looking at the Lincoln Memorial. So let's get to the real story. The two boys got back to home. They were betting they got more candy than the other.

Ayden thought it would be funny if he said, "You've got one candy and I have a hundred." That got Kevin pumped up. They were going to get into it but Ayden got scared and ran away.

*By Nathan*

The story continues... They are going against Darth Vader. In Episode 5, The Empire Strikes Back, Luke almost died but he lived. R2- D2 was waiting in the ship when he shot the other ship. He took off... it continues  
*By Marcos*

We read Nate the Great and the Mushy Valentine. It was a funny book. I liked it because it was funny. *By Julian*

I love you dad and mom and sister. They are nice. My dad buys me a lot of Legos. He builds cool stuff. He builds Lego cars. My mom helps me read at home. I sometimes play with my sister.  
*By Marcos*

#### Me and Lena

I was sorry for my big sister Lena. Lena had a cast. Let me tell the story why. They were with her mom. They were having fun until Lena went on a cart through a puddle.

#### **MYSTERIES**

One day I was watching TV and I heard a scream. I ran outside. It was my friends, Lily, Chloe, LaFawnda and Nathan.

They said, "Our money!"

I gasped. "What did the person who stole it look like?"

"He had black hair and blue eyes."

I thought, only our friend Nathan has blue eyes. Now, to get to

the real part. Nathan walked out right when it happened. I had all the pieces to the mystery. I asked Nathan. His twin brother did it! He was checking on his brother when it happened. He's the one I never mentioned. Tricky. His name was Mike. The mystery is solved.

### Cheese Factory Taken Over

Once upon a time, there was a cheese factory that was taken over in Wisconsin at midnight. Two people called Elis and Claire went there and saw no cheese. And then...

"Hmmm..." said Elis, "What should we do?" But then Claire heard a squeak and she wondered about the squeak. A piece of wood broke from the roof and Elis saw a shoe. He took a picture of the shoe. They went outside to the van. Then they thought about the shoe. They DNAed the shoe. It said "Property of Miles Austin." Well, they didn't know who he was. So Elis went back to the factory. This time he saw a piece of black hair.

Elis thought, "Wait, somebody's been here." Elis went to his house and talked to Claire. Then Ellis went to bed. They woke up and scanned the hair. They looked up Miles Austin in the phone book. They walked to Mile's Austin's house. Elis knocked at the door. But... no answer. Then Elis knocked again.

"Hurry up!" said Elis. Miles Austin opened the door and yelled at them.

Elis asked, "Where is Michael Jackson?"

"What, you're serious? Michael's at my house!!"

"Tell us the truth or we'll take you away."

"OK." He let Elis and Claire in to his house.

Five minutes later, "Hello Michael,"

"Hi."

"Can you tell us where the cheese is?"

"I ate it eight days ago."

"It looks like our mystery is solved," Elis said to Claire. Elis gave Miles Austin a ticket and arrested Michael Jackson.

That ending was very cheesy.
