

Dear Parents/Guardians,

The recorder shipment arrived before break. Please send checks (made out to TMES) or cash for the recorder. ***Please send in payment by Friday, January 20th.*** Also, please fill out the form below so there is no confusion for the EAs and I have an accurate record. I am requesting the 3<sup>rd</sup> years leave the recorders at school until proper technique is learned. This will prevent bad habits from forming that are very hard to break! For those families who ordered two soprano recorders (this would be the 3<sup>rd</sup> years), I will keep both recorders at school until the students take their instruments home. I anticipate that students will take the recorders home by the end of January.

Thanks,

Ms. Canice
