## Have your name etched in history!

The Montessori Elementary School is selling personalized bricks to commemorate the opening of our new building. Bricks may be personalized for TMES families, individuals and businesses. The bricks will be placed in a prominent position at the new building.

### Details of the bricks:

- Brick size is 4 x 8 x 2 3/4 inches, which meets requirements for severe weather use.
- Each brick may have a maximum of 2 lines of 13 characters each. (Spaces are considered a character.) A character is a letter, number, space or mark of any kind.
- Dates, punctuation and accent marks are acceptable. (If the character is on a keyboard, it can be engraved on the brick.)
- Lettering is approximately 3/4 inches in height and will be all caps, with each line centered.
- Bricks will be engraved and inked in.
- The bricks are very durable and will 'last forever'!
- TMES is selling each brick for only \$100.00 and it is tax-deductable!
